Juan Pablo Gonzalez	If it weren't like that, then Mario wouldn't have ever gotten me involved in this.	Si no hubiera sido asi Mario jamas me hubiera metido a esto.

Juan Pablo Gonzalez	On the contrary, you knew why I wanted Mario and that's why I told you. For me it's important that Mario becomes president. It's very different for me to tell you about it, so he's there and he'll tell you.	Al reves, sabes porque queria que Mario y por eso te dije, para mi es importante que Mario que va a ser el Presidente que asuma, porque muy diferente es que yo te diga o que yo te cuente, ahí esta el, ahí el dira.
CS2	That's the way we always make a deal, we always go with one head so we wouldn't need to come back and go with them never again because we already know that there are a lot of people that gossip.	Asi es siempre que hacemos un trato, siempre vamos con la cabeza una sola vez y no tenemos que volver a ir con ellos, jamas porque ya sabemos que hay mucho chismoso.
CS2	There's one thing that is important Señor Estrada, are there any candidates that are bothering you?	Hay una cosa muy importante Señor Estrada, candidatos que le estan haciendo peso?
Mario Estrada (54:51)	That's exactly what I was going to tell you as well.	Eso yo le iba yo a decir tambien
CS2	It's 15 million dollars for you to win, right? What are we going to do with them? Are we going to need to get them out of the way? The jobs were very well done, right?	Son 15 millones de Dolares para que gane, verdad? Que vamos hacer con ellos? Los vamos a tener que quitar del camino? Bien hechos los trabajos verdad?

Mario Estrada (55:08)	Listen, I'm going to tell you one thing.	Mire yo le voy a decir una cosa.
CS2	If tomorrow- I'm going to tell you one thing. Tomorrow a candidate is going to go out for a stupid thing, for other problems that I don't know about and starts messing with you with that thing, they're going to have a problem.	Osea si mañana le voy a decir una cosa, mañana sale un Candidato, sale por una Pendejada, por otros problemas que yo dezconozca y empieza a estar chingando a su Madre con eso, va a tener un problema.

CS2	But it's a risk, right?	Pero es un riesgo verdad?
Mario Estrada (56:08)	The issue is that she's messing with everyone.	Lo que pasa es que ella esta chingando a todo Mundo.
CS1	She's organizing everything.	Ella esta Organizando todo.
Mario Estrada	She's messing with everyone.	Ella esta chingando a todo mundo.
CS1	In fact, all these things that are happening to everyone are because of her.	De hecho todas estas cosas que le estan pasando a todos es por ella.
Mario Estrada (56:18)	Yes, because she has two attorneys who are dumb and obey her.	Si por que ella tiene dos Fiscales que son huecos y le obedecen a ella.

	to stir things up and who we consider to be a risk for you should leave too.	demasiados que consideramos que es un riesgo para Vos, tambien se Va.
Mario Estrada (58:15)	But no! By the time they start assembling, it wouldn't be worth it.	A pero no!, ya cuando estan levantando ya no vale la pena.
CS2	No, it's not going to be like that. The strategy is not like that. How much time do you think we have before we can hit that bitch?	No, No, No, No, No, eso no va hacer asi, la estrategia no es esa, Cuanto tiempo usted cree que tenemos para darle en su madre a esa cabrona?
Mario Estrada	Now!	Ya!
Juan Pablo Gonzalez	Because right now would be ideal.	Porque ahorita seria ideal.
CS2	Alright well, that's fine, her and I need the names of those two bastards right away so I can start looking.	Bueno ya, esta bien, ella y necesito los nombres de esos dos MP de una vez para ver.
